Song 5

(Enter Firepower Girl)

FIREPOWER Girl

Hello I'm firepower girl. I save kids from haunted houses and help them get home.

Jason

How can you do that?

FIREPOWER Girl

I can fly with my fire like a bird and take everyone back home. But first I will spin my fire around the goblins and trap them

(She waves her fire and traps the goblins)

Goblins

Oh no, stop!

Goblin 1

We surrender.

Goblin 2

We promise to leave.

Firepower Girl

OK, but you have to promise to never trap children ever again!

Goblins

We promise!

Firepower Girl

(To the kids)

And you guys. You should not have gone down this street, it's too dangerous

Kids

We are sorry.

Kid 1

My dad told us not to go down that street.

Firepower Girl

You should listen to your dad.

DON'T GO DOWN THAT STREET
WATCH WHERE YOU TRICK OR TREAT
THERE MIGHT BE TRAPS
ROBBERS
STRANGERS
YOU COULD BE IN DANGER
