One day the king sent the dragon on an errand.

King- Damian

Dragon, I need you to go to the city to deliver my tax documents to the royal accountant.

Dragon

I will

(The dragon leaves)

Prince Harming - Ismael

OK let's do it.

Narrator- Ximena

They had a sidekick: the bad wizard.

Let's steal the gems! If we steal the valuable gems, then we will have all of the power.

Narrator - Brielle

Prince Harming - Ismael

I'm going to throw some rocks to distract the guards.

(The guards hear the rocks and go to check out the sound)

Guard - Nadia

King

I want to present these beautiful gems to my daughter.

Princess

Thank you, they are beautiful, but they look kind of fake.

Queen

Put those gems down, it might be a trap.

(They back away)

(All of a sudden the gems explode and destroy some of the furniture)

King

My gems blew up. We could have been hurt. Now I have to hire someone to investigate.

Queen

We need to find out who did this, let's call Ted the Builder and Wizard Girl, they will help us.

Narrator - Ximena

Ted the builder arrives with his friend Wizard Girl.

Ted - Jasmine

I will rebuild the furniture and my friend Wizard Girl she can help you find the missing gems.

Wizard Girl - Nadia

I will cast a spell and the make the bad guys reveal themselves.

Hello I'm Bruno the Knight and I have brought my bunny rabbits. They will nibble your toes for punishment.

(The bunnies nibble the villains' toes)

I hope that teaches you a lesson.

Narrator - Cesar

After the bunny rabbits nibbled their toes the villains agreed to never do any evil again. The villains were sent away and the kingdom was once again safe.
