HELP, MY BABIES ARE GONE

HELP, MY BABIES ARE GONE

THE HUMANS STOLE MY BABIES MY POOR, POOR BABIES

I THINK I'LL GO CRAZY IF I DON'T FIND THEM

HELP, MY BABIES ARE GONE

HELP, MY BABIES ARE GONE

Narrator - Hannah: She and her cactus friend named Spike discuss what they should do. It's a rather one-sided discussion since Spike is a cactus and doesn't have a mouth, therefore he can't talk. But he's a good listener.

Mom Dragon - Autumn: Well Spike, I must go look for my babies. Keep an eye on Tammy, Raylene and my eggs. And thanks for listening.

Narrator - Kinsey: Back in the village there are some kids who work with a great detective named Mr. Woofington..

Narrator - Skyler: Mr. Woofington hears the news of the missing dragon babies and knows that it will cause trouble if the babies are not found. He and some kids discuss options. They decide to investigate and go look for the babies.

Kid 2 - Abby: I asked my mom if I could go on this trip

She looked at me like I was out of my mind. I'm not out of my mind, am I?

Kid 1 - Danna: Definitely, you're out of your mind.

Kid 5 - Mason: *(Bursts in with news)* Hey the mom dragon is missing two of her children. You need to find them because she may blame us for her missing children.

LET'S FIND THE BABY DRAGONS

LET'S FIND THE BABY DRAGONS

BEFORE IT'S TOO LATE

IT'S TIME TO SAVE THE BABY DRAGONS

BEFORE IT'S TOO LATE

Kid 3 - Emily: THAT wasn't rock and roll.

Kid 6 - Hannah: But it was still awesome!

Mr. Woofington - Charles: Never mind that, let's get on the case.

Narrator - Danny: After a grueling search and talking with some of the villagers- they finally find the two baby dragons.

Mr. Woofington - Charles: (*Points to the two baby dragons*) There they are!

Kid 1: Danna: They're wedged between two big rocks.

Kid 2 Abby: Let's pull them out.

Kid 3: Emily: Be careful.

Kid 5 - Mason: Here baby dragons let's get you out of there. (*They pull the babies out*)

Jojo - Kayley: Thank you for rescuing us

Kid 6 - Hannah: We're just happy you're safe.

LET'S BRING THEM BACK
THEY ARE NOW SAFE
AND WON'T BE ATTACKED

Narrator - Landon: They take the babies back to their mom.

Mom Dragon - Autumn: Thank you so much, you have saved my babies. How can I repay you?

Mr. Woofington: You're welcome, you are so nice.

Kid 4 - Zaria: All the people in the village think you are mean, but you are nice.

Kid 3 - Emily: It seems you are misunderstood.

Mom Dragon - Autumn: I am kind and not mean.

Mr. Woofington - Charles: We need to tell the village that the mom dragon is good and won't harm them.

Narrator - Abby: Meanwhile back at the village they have whipped themselves into a frenzy, they are so worried about these dragon eggs hatching. They decide they must attack and destroy the eggs. They ready themselves for the fight.

Villager – 12: Jaxxson: Once those 200 eggs hatch and those babies grow up, we are doomed.

Villager 1 - Evan: We must stop them.

Song 6

WE'RE GONNA CRACK THEM AND SMASH THEM
AND KEEP THEM FROM HATCHING
GONNA BURN THEM AND BOIL THEM
