

Narrator

Billy and Jeffy are space travelers. One day they were traveling around the Milky Way and got in to an argument.

(Need some dialogue here where Billy and Jeffy are talking about something and it turns into an argument)

(Logic 3) Jayce and Daniel

Billy: Hey, have you ever heard of micky mouse?

Jeffy: Of course I've heard of Micky Mouse.

Billy: That's the best show and I watch it in my house.

Jeffy: that's not the best show

Billy: yes it is

Jeffy: Cocomelon's better than Micky Mouse

Billy: no it's not

Jeffy: it has songs and I watch it with my mom

Billy: Whatever.

Jeffy: Why are we always fighting, I'm sick of it

Billy: Me too, I'm sick of arguments.

Jeffy: hey there is planet X378

Billy: let's land

(They land)

Narrator

TALL AND GREEN KINDA MEAN
THEY ARE MESSY AND SMELL LIKE BEANS

Logic 5 Ava and Jayla
WE ARE THE ALIENS
AND WE DON'T HAVE FRIENDS
WE KIDNAPPED MILLY AND TILLY
BECAUSE THEY ARE SO SILLY

OUR PLANET IS BORING
WE ALL FEEL LIKE SNORING
WE NEED TO WAKE UP
AND HAVE SOME FUN.

Alien 1 – Ava - Vivian

We are lonely, that is why we kidnapped Milly and Tilly.

Alien 2 – Madai - Andrew

They are both so much fun, they make our boring planet a nice place.

Milly

Thank you for coming.

Tilly

We are trying to convince these aliens to let us go. What can we do?

Milly

I know, let's have a dance battle and if we win, you will set us free.

Tilly

If we lose the dance battle, we will all stay here.

Alien 3 Jayla – Evie

OK, but who will be the judge?

Tilly

How about the audience?

Alien 4 - Evie

OK.

(They have the dance battle and then the audience decides whether the aliens or the Millie and Tillie (and all the others) win)

If Millie and Tillie are winners

Then we will have them say their goodbyes and take off

If the aliens win

We will have Millie and Tillie and the others break out and run away
