Song 1

IT'S 5099
EVERYTHING IN SITE
ARE PEOPLE IN FLYING CARS
THERE'S NOTHING WE DON'T HAVE
ALL YOU HAVE TO DO IS ASK
COME SEE FOR YOURSELF

IT'S PARADISE
HEAVEN ON EARTH
YOU KNOW I'M NOT LYING
YOU SEE US FLYING

PARADISE
HEAVEN ON EARTH
YOU KNOW I'M NOT LYING
JUST WATCH US FLY

Person 1 - Daylynn: I love living in the year 5099.

Person 2 - Valeria: We have flying cars that are solar powered.

Person 3 - Josiah: You know what we are missing?

Person 2 - Valeria: What

Ms. Berteaux
Script February 29, 2024

Person 3 - Josiah: Flying monkeys!

Person 2 - Valeria: That would be cool.

Person 1 - Daylynn: We should go visit Dr. Harlem the amazing scientist. He has his assistants called the Barlems, they are flying monkeys. We can hang out with them.

Narrator - Izzie: As our friends arrive at Dr. Harlem's science lab, they see that Dr. Harlem is very nervous.

Dr. Harlem - Victoria: I have just discovered that there is a planet-eating meteor heading towards earth and it's going to destroy our planet.

Song 2

OH NO
SOMETHING IS COMING
THROUGH THE SKY
TELL US WHY
WILL WE DIE?

OH NO
SOMETHING IS COMING
THROUGH THE SKY
TELL US WHY
WILL WE DIE?

WE NEED TO EVACUATE
NO TIME TO CONTEMPLATE
GRAB YOUR FAMILY
AND YOUR PETS
MOVE QUICKLY
OR YOU'LL REGRET

OH NO
SOMETHING IS COMING
THROUGH THE SKY
TELL US WHY
WILL WE DIE?

OH NO
SOMETHING IS COMING
THROUGH THE SKY
TELL US WHY
WILL WE DIE?

Mr. Cuddles - Pedro
DON'T BE SCARED
MY NAME IS CUDDLES
IN 30 HOURS
I'LL DESTROY YOUR HOME
DON'T BE SCARED
I'LL BE QUICK
YOU WON'T FEEL A THING
FEEL A THING

DON'T BE SCARED
MY NAME IS CUDDLES
IN 30 HOURS
I'LL DESTROY YOUR HOME
DON'T BE SCARED
I'LL BE QUICK
YOU WON'T FEEL A THING
YOU WON'T FEEL A THING

Narrator - Max: The planet eating meteor is named Mr. Cuddles because he looks soft and squishy.

Villager: The meteorite is in site and it's a fright, he's gonna bite

Dr. Harlem - Victoria: The Meteor will hit earth in 30 hours.

Person 1: Oh no, we only have 30 hours.

Narrator - Laurel: Dr. Harlem and his assistants called the Barlems, started thinking of a solution.

Dr. Harlem - Victoria: We need to stop the meteor.

Barlem - Josh: Let's shoot a rocket.

Dr. Harlem - Victoria: We don't have gasoline. So, the rocket won't work without gas.

Barlem - Izzie: That's right, we only have solar power and that's not strong enough to power a rocket ship.

Barlem - Laurel: Can we go back in time and get some gasoline?

Dr Harlem - Victoria: Brilliant, let's travel back in time in our solar powered time machine and get some gasoline.

Song 2B
DR. HARLEM AND HIS BARLEMS
ARE SPEEDING THROUGH TIME
TO GET THE FUEL
SO THEY CAN STOP THE METEORITE

Ms. Berteaux
Script February 29, 2024

MR CUDDLES IS COMING FAST
TO DESTROY OUR HOME
WE'LL HAVE TO HURRY OR WE'LL BE NO MORE.

WE BETTER MOVE FAST
WE BETTER MOVE FAST
OR WE WON'T LAST
OR WE WON'T LAST

Dr. Harlem - Victoria: Actually, it's not a meteorite yet, but still a meteor. If it hits the earth, it will then be a meteorite. We need to make sure that does NOT happen.

Mr. Cuddles - Pedro: Who cares what you call me, I'm still going to eat your world.

Dr. Harlem - Victoria: We had better hurry up with our trip back in time.

Barlem - Talia: Yes, we need to go back to a time when there was plenty of fuel.

Dr. Harlem - Victoria: How about the year 2020, I heard that was a very plentiful and happy time.

Barlems: Great idea!

Song 3

LET'S GO BACK TO A TIME
WHEN LIFE WAS VERY, VERY FINE
PLENTY OF FUEL FOR EVERYONE
2020 IS THE ONE

WE NEED TO GO BACK TO 2020
WE NEED TO GO BACK TO 2020
PACK YOUR BAGS
IT WILL BE FUN
2020 IS THE ONE
(They arrive at 2020 and nobody is around)

Barlem - Brandon: What is going on.

Barlem - Josh: Where is everyone? I wanted to order a cappuccino.

Barlem - Izzie: Everything is closed.

Barlem - Laurel: Look I found some cute animals.

Animal - Iliana: This place is so boring will you take us with you?

Animal - Mia: Everything is closed.

Animal - Esther: Take us with you!

Animal - Donovan: There is nothing to do.

Dr. Harlem - Victoria: Let's pack up the fuel and get out of here.

Ms. Berteaux
Script February 29, 2024

Barlem - Brandon: This place is depressing, let's take the animals back with us. I'm sure they'll be happier.

Dr. Harlem - Victoria: I agree, now let's get out of here.

Barlem - Josh: Look at this cute kitty. I will call you Fergus.

Fergus the Cat - Sofia: Meow

Barlem - Izzie: This doggie is adorable. I will call you Sprinkles.

Sprinkles the Dog: Woof, Woof

Narrator - Yael: While traveling back in the time machine, one of the animals sneezed.

Fergus the Cat - Sophia: Achoo,

All: Bless you.

Narrator - Talia: what they did not know is that Fergus the cat has COVID.

All: Da da da!

Narrator - Elliot: They arrive back in 5099, fill up the rocket ship with gasoline and shoot the rocket at the meteor.

Cuddles - Pedro: Ha ha, is that all you got.

Narrator - Elliot: But it does not work, Cuddles is still headed towards earth!

Song 4

OH NO

IT ISN'T ENOUGH

IT'S STILL HEADED FOR EARTH

OH NO

IT ISN'T ENOUGH

IT'S STILL HEADED FOR EARTH

WE NEED SOMETHING STRONGER

THAT WILL LAST LONGER

WHAT WILL WE DO

WHAT WILL WE DO

Fergus the Cat - Sophia: A Ah Choo!

All: Bless you.

Dr. Harlem - Victoria: I think I have an idea. Fergus the cat has Covid.

All: Da, da, da!

(Everyone panics)

Dr. Harlem - Victoria: Calm down and listen to my plan.

Narrator - Harper: Dr. Harlem has Fergus the cat cough a bunch of times into a special covid bomb

Song 5

HERE KITTY, KITTY COUGH INTO THIS BOMB

HERE KITTY KITTY HELP US RIGHT THIS WRONG

Ms. Berteaux
Script February 29, 2024

HERE KITTY KITTY
HERE KITTY KITTY
COME AND HELP US WIN THIS WAR

Narrator - Lincoln: He then puts the covid bomb in a second rocket and shoot it into the meteor.

Mr. Cuddles - Pedro: What is this? What just hit me? I can't smell anything. I feel awful.

Narrator - Lincoln: The meteorite . . .

Dr. Harlem - Victoria: Meteor.

Narrator - Gladys: Sorry, the METEOR slows down and then stops, then starts coughing uncontrollably. It then changes course to go back home so it can go to bed.

Narrator - Hayden: The planet is saved. Fergus the cat quickly heals and then they all have a huge party to celebrate that earth is safe.

Song 6

YAY WE'RE SAVED
YAY WE'RE SAVED
THE SCIENTIST SAVED THE DAY
TODAY IS THE DAY
TODAY IS THE DAY
THAT WE ALL SAY HURRAY
THE PARTY IS TODAY
THE PLANET EATER IS GONE
WE ARE ALL ALIVE
THAT'S WHY WE SING THIS SONG
YAY WE'RE SAVED
YAY WE'RE SAVED
THE SCIENTIST SAVED THE DAY
THE SCIENTIST SAVED THE DAY
